LOCATION: DEL MAR

STAY: HOTEL INDIGO® SAN DIEGO DEL MAR

Fido-friendly Hotel Indigo® San Diego Del Mar hotel is located in one of the most dog-friendly cities in the state with dog pick up stations situated around town and Del Mar Dog Beach nearby. No two Hotel Indigo® properties are alike, and each property is a resemblance of the surrounding community assuring you a truly unique boutique hotel experience.

Stay in the Bungalow Suites and be treated to sweeping views of the Pacific. Want to experience brunch with Fido? You are in luck as every second Sunday the hotel hosts a Bowser Brunch for you and your canine companion.

There are many Fido-friendly stores and dining options where Fido is welcome to explore with you all that Del Mar Village has to offer. If you find yourself unable to take Fido along, Hotel Indigo allows pet owners to leave well-behaved dogs alone in the room provided you give the hotel your contact phone number before you venture out. For longer durations, Hotel Indigo suggests calling Del Mar Doggers for all your pet sitting needs.

A short walk from the hotel puts you in the heart of downtown Del Mar, and a little further takes you to dog-friendly parks with views of miles of Fido-friendly beach where your dog can romp with you in the waves off leash. Del Mar Village is a very Fido-friendly community, and the main street of Del Mar, Camino Del Mar, is lined with water bowls and treats from neighboring businesses.

After a day in the fun and sun of Del Mar dog beach, it's off to Del Mar Rendezvous for a unique blend of organic healthy modern Chinese cuisine. This eclectic dining experience brings you and Fido closer to the bliss of Fido-friendly travel. Be sure to try a local favorite of the walnut shrimp dish. Along with great food, the restaurant has the best wine prices, 30% lower than local liquor stores.

With you and your dog by your side in Del Mar, sky's the limit! A special treat for you and Fido is to experience a spa treatment at Place 360. Zara is the resident dog of owner Tracy Whynot who believes your well-behaved dog should relax along side you while you Zen out. With a knowledgeable staff, and Tracy's experience of studying various healing modalities from around the world, you are sure to find what you are looking for at Place 360. Sink in, relax and let go. Your dog knows you deserve a little pampering after all the beach romping, full tank of food and the many other dog-friendly activities experienced in Del Mar.

View from your hotel balcony.
